Referred By _____

Dr. Amanda Aldridge, DVM, CVA uses acupuncture, chiropractic, and natural alternative veterinary medicine as an adjunct to your pet's veterinary care. While distinct from traditional veterinary medicine, alternative veterinary medicine can be very effective therapy. Risks and benefits of these modalities have been explained by Dr. Aldridge.

By signing below, I, _____, authorize Dr. Aldridge to care for my pet, understanding the risks and benefits of treatment and there are no guarantees with response to treatment in veterinary medicine.

____ Please initial to acknowledge that Dr. Aldridge will send medical records to your pet's regular veterinarian.
